

Eczema Outreach Support Fundraising Scavenger Hunt for little ones

Thank you for raising money for children with eczema, you are a fundraising star!

First, you need to set up your [fundraising page on Just Giving](#). Then tell everyone you know you're taking on a scavenger hunt to raise funds for families managing eczema. You could even invite friends to come along and join the challenge!

Ready to go? Time to complete the hunt! Simply solve the puzzles and then try to find the objects described. Can you find the hidden message at the end? But remember these important rules:

- Stay safe! Stick with your grown-up and follow their rules at all times.
- Be gentle! Remember to respect the outdoors and leave it as you found it.
- Have loads of fun!

Ready? Find them all!

Stick

Can you find one longer than your arm?

Hat

How many different colours can you spot?

Oak leaf

Are there any leaves on the ground? CRUNCH!

Water

Hope you brought your wellies. SPLASH!

Feather

What kind of bird do you think I belong to?

Insect

Remember to be gentle - they're living things.

Violet

Not raining? No problem, anything purple counts!

Evergreen

These trees don't drop their leaves. Can you spot one?

Found me?

Found everything? Well done!

- Did you find the **secret message**? Take a picture to show you got it - and be sure to share it with your supporters on your fundraising page so they know you completed the challenge!
- If you share your photo on social media remember to tag us too!
@eczemaoutreachsupport

Thank you for being a fundraising star!
