

Eczema Outreach Support Fundraising Scavenger Hunt for big kids

Thank you for raising money for children with eczema, you are a fundraising star!

First, you need to set up your [fundraising page on Just Giving](#). Then tell everyone you know you're taking on a scavenger hunt to raise funds for families managing eczema. You could even invite friends to come along and join the challenge!

Ready to go? Time to complete the hunt! Simply solve the puzzles and then try to find the objects described. Can you find the hidden message at the end? But remember these important rules:

- Stay safe! Stick with your grown-up and follow their rules at all times.
- Be gentle! Remember to respect the outdoors and leave it as you found it.
- Have loads of fun!

Ready? Find them all!

☒ Found me?

--	--	--	--	--

I'm long and thin, I fall from trees. Dogs love to chase and carry these.

☐

--	--	--

On sunny days I'll protect your head. In colder weather, you need a woolly one instead!

☐

--	--	--

My leaves are large and lobed and round, I'm a mighty tree where acorns are found.

☐

--	--	--	--	--

I can splash, ripple, shine or fall, I'm what puddles are made of, big or small.

☐

--	--	--	--	--	--	--

Dropped by a pigeon, crow or a dove, I'm soft and light, a gift from above.

☐

--	--	--	--	--	--

I'm tiny and fast with six legs to kick, look near the ground, you'll spot me quick.

☐

--	--	--	--	--	--

Is there a rainbow today? I'm the seventh hue. Not raining? That's ok. Anything purple will do.

☐

--	--	--	--	--	--	--	--	--

While other trees turn brown and shed, I stay green all year instead.

☐

Found everything? Well done!
